

International Guarantee Certificate

IFORE GREEN POWER PVT LTD., a Indian company based in Coimbatore (Tamil Nadu), guarantees that all the products it supplies are free from defects in materials or workmanship for one year after delivery.

Under this guarantee IFGP undertakes, at its option, to replace, repair or issue a credit note for any product that, within twelve (12) months of delivery, is returned to it postage paid and that turns out to be defective in materials or workmanship for reasons attributable to IFGP.

IFGP will not be responsible, under this guarantee:

- If you do not receive written notice from the Customer within seven (7) days after the defect is discovered.
- For any product whose alleged defect has been caused, in whole or in part, by misuse, negligence, overload, deficient lubricant, improper installation, unauthorized repair, alteration, accident, defects resulting from normal wear and tear, abnormal conditions of use, or failure to comply with IFGP's technical instructions.
- For transport, installation, removal, work or other costs.
- For any product not manufactured by IFGP; in this case IFGP will make reasonable efforts to ensure that the Customer benefits from any guarantee granted to IFGP.
- When the defect is caused because the Customer has not followed IFGP's instructions on storage, installation, use or maintenance.
- If the Customer modifies or repairs the product without prior written authorization from IFGP.
- If the defect is caused by any design or specification failure that has been provided or approved by the Customer.

IFGP's total liability is limited to the repair or replacement of the products supplied; it may not exceed the price of the products; and do not extend to other implied or implied warranties, conditions, terms, or legal obligations for any loss, damage, cost, expense, or other claims. The Customer cannot claim compensation for the time in which the equipment or facilities remain idle, or for assembly, labour or any other direct or indirect damage.
